SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

A Declaration of Raman Patel was filed on November 29, 2005. In paragraph 2 of the Declaration, Mr. Patel mentions providing samples to the "Client App.", which was a company separate from Teknor Apex. As Mr. Patel explains, the testing of the samples was performed at the other company because Teknor Apex did not have the capability of performing the specific testing in-house. The samples were provided, and the testing performed, more than a year before the filing date of the above-captioned application. The samples were not sold or offered for sale to the company, or any other company, more than a year before the filing date of the above-captioned application. The other company was a customer of Teknor Apex for other products at the time.

This statement is being filed after a first Office action on the merits, but before receipt of a final Office action or a Notice of Allowance. A check for \$180 in payment of the late submission fee of §1.17(p) is enclosed. Please apply any other charges or credits to Deposit Account No. 06-1050.
